When you advertise with Opera in Williamsburg, you reach a growing audience of discerning local art-lovers of all ages. During the six performances in May and September, our printed programs reach over 2000 persons each year. The program booklets are beautiful looking, informative keepsakes with entries about our exciting performers and are likely to be read more than once.

Income from advertisements supports the mission of Opera in Williamsburg – to create and present fully staged, full length operas with world class singers in the intimate setting of the Kimball Theatre for Williamsburg residents and visitors.
